

**SEALANTS & COATINGS TECHNOLOGIES CO., INC.  
(SCT) PALLADIUM® SYSTEM WARRANTY**

The SCT Palladium® System is warranted for a period of five (5) years from the date of application when installed by an SCT trained applicator and in accordance with the current edition of the application instruction manual provided by SCT, and the completed/signed warranty application original is on file at the SCT Corporate Office.

**EXCEPTIONS**

This warranty does not cover failures due to the following:

- Fire, flood, natural disaster or any other act of God.
- Improper storage, handling or installation.
- Plumbing leaks, faulty construction or house settling which exceeds the material's elasticity.
- Improper roof, chimney or wall penetration construction or flashing that allows water to get behind the Palladium.
- Substitution of unauthorized materials.
- Unauthorized "field modification" of any of the supplied products.
- Damage caused by riots, strikes, or act of war, terrorism, or other criminal or civil disturbance.

**LIMITATIONS OF LIABILITY**

This warranty covers replacement or replacement cost of material proved to be defective and specifically **DOES NOT** include incidental, indirect or consequential damage or cost including but not limited to replacement/reapplication labor, lost time, lost revenue, or loss of use.

**THE SCT COMMITMENT**

If the SCT Palladium System is proved to have failed during the warranty period, SCT will replace the failed material FOB its nearest distribution point.

SCT reserves the right to inspect the job site by an authorized representative prior to the settlement of any claims.

Notification of claims must be made in writing to SCT upon discovery of areas of concern.

SCT's sole and complete responsibility for proved material failure is as set forth in this warranty. SCT will not be responsible for incidental, indirect or consequential damages, including reinstallation labor.

**NO OTHER WARRANTY IS EXPRESSED OR IMPLIED.**
